NARRATIVE:

George Corbin has an extensive adult criminal history that began at the age of 27. His convictions include inflicting corporal injury on spouse, battery, carrying a concealed weapon, carrying a loaded firearm in a public place, possession of a destructive device, assault with deadly weapon on a peace officer, possession of controlled substances, use of a controlled substances and failing to report. He has served multiple incarcerations, the longest being a 3 year term for possession of a destructive device. Corbin was released from state prison to the supervision of the Los Angeles County Probation Department on February 14, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2014 after he absconded from post release community supervision (PRCS). Corbin qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for possession of controlled substances is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
